

Artistic supply

Spirit stencil paper is a standard in the industry to transfer your flash onto skin.

Hellcat stencil pen made by tattoo artist for tattoo artist. With brush like tip, it's easy to get thin line or bold line in a matter of pressure. The tip will hold its shape over and over again. Skin scribe skin marking pen. Long lasting skin marking with gentian violet ink. Stencil-Pro. Adhesive agent for sticking stencil onto skin. The purpose minimize cross contamination possibility and to maximize transfer-holding ability while tattooing.
