- <http://www.safe-tattoos.com/> - Association of Professional Tattooists. You should know better how to do things right before you get into business.
- <http://www.tommyssupplies.com/> - the maker of the ole’ ever bright starbrite colors tattoo ink.
- <http://www.tattooaftercare.co.uk/> - the best natural aftercare in the world.
- <http://www.tedtedkingofthedead.com/> - one helluva badass custom irons. That’s why we are currently his official reseller in Indonesia. If you want killer custom machine then he’s one of the best.
- <http://www.sonneetattoo.com/> - our good friend, he own and run one of the most cleanest, spacious, cozy tattoo studio in Jakarta.
- <http://www.kent-tattoo.com/> - our good friend, he own & runs a most sophisticated tattoo studio in bandung, west java. He used to host a well known national tattoo convention as well.
- <http://www.brisiktattoo.com/> - our good friend. His artistic ability made him survive and now he carves his way and mark his name in this industry.
- <http://www.dicks-tattoo.com/> - our good friend. Located near by a college made him open minded to any influx of ideas.

- <http://www.dufftattoo.com/> - our good friend. He’s tattooing on the road at the time being. His working area stretching from west Sumatra to Jakarta and west java.
- <http://www.ibudtattoo.com/> - our good friend. Friendly crews and awesome cozy atmosphere. Backed up with award winning creations.
- <http://www.suicideglam.net/> - a creative name in clothing and now expanding their creative atmosphere into tattoo too. Check them out.
- <http://www.inttattoo.com/> - another friend of us. Located in west Jakarta. Nice person.
